Dear Shruti,

Congratulations! As the Director of Graduate Studies in the Department of Pharmaceutical Sciences at the University at Buffalo, it is my great pleasure to inform you of your acceptance into the Pharmaceutical Sciences - MS program for the Fall 2022 term. I am confident your energy and talents will make you an asset to the School of Pharmacy and Pharmaceutical Sciences community.

Please refer to the PDF letter attached here for the details of your offer (PhD students only).

Your admission is being recommended to the Office of International Admissions. They will determine your eligibility to receive the official documents necessary to apply for a Student Visa (should you require one). U.S. Immigration and Naturalization Service guidelines require that total financial resources must be clearly documented before institutions of higher education may issue Certificates of Visa Eligibility. You will need to submit the International Student Financial Form to document your ability to meet the educational and personal expenses of your proposed study program. You must prove immediate availability of the first year's expenses and tuition and a reliable source of support for subsequent years. The University at Buffalo reserves the right to withdraw admission and revoke the Certificate of Visa Eligibility if it learns that any fraudulent documents, false or misleading statements, or omitted information were submitted as part of your application. Additionally, your admission is contingent upon receipt of your final, official transcript indicating the conferral date for your bachelor's degree.

To accept our offer of admission, log in to your Slate application portal <<https://ubgradconnect.buffalo.edu/apply/status>> no later than April 15th and submit the Reply to Offer of Admission form on the checklist. You will also need to satisfy any outstanding checklist items. Also on your portal, see Information for Accepted Graduate Students <<http://pharmacy.buffalo.edu/information-for-students/information-for-accepted-phc-students.html>> to begin your journey with us. We ask that you respond as quickly as possible so we can officially assign you to one of the limited numbers of graduate student slots available for the 2022-23 academic year. For questions, or if there are extenuating circumstances that will not allow you to promptly accept our offer, please email <<mailto:pharm-admit@buffalo.edu>>.

Congratulations again on your achievement! Our internationally renowned graduate program in Pharmaceutical Sciences will enable you to achieve your scientific goals and I am excited about the opportunity to work with you to advance fundamental and clinical knowledge in our discipline. Along with the entire faculty of the Department of Pharmaceutical Sciences, I enthusiastically look forward to welcoming you on campus and hope you will join us.

If you have any questions, please do not hesitate to email me <<mailto:robertbi@buffalo.edu>>.

Dear Ms. Kshirsagar,

The Pharmaceutical Sciences Graduate Program (PSGP) is pleased to have recommended your admission into the M.S. program to the Dean of Graduate Studies. The M.S. degree our program offers is typically a two-year program which covers many foundational elements of pharmaceutical sciences. In addition, the M.S. degree will allow you to work in a faculty member's laboratory and gain crucial laboratory skills to help advance your career. For individuals ultimately seeking a doctorate, M.S. students who performed well in this program can reapply to our Ph.D. program with a higher likelihood of success. Of course, the offer is also contingent upon satisfactory academic progress according to the guidelines set forth by Graduate Studies at the UNMC.

Please be advised that the financial arrangements for a M.S. student are not the same as a Ph.D. student. A student entering the M.S. program would not receive assistantships and would not receive tuition waivers. You will be responsible for the tuition and other graduate school costs, which are estimated to be up to \$25,000 per year. In the second year of your studies, after successful completion of your first year, you will receive a 50% tuition waiver (for that year) to recognize your contribution to the research mission of the College of Pharmacy.

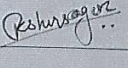

Please notify us of your intent to accept this admission offer, no later than 4:00 pm CST on Friday, April 15th, 2022 / 2:30 am on Saturday, April 16th, 2022 India Standard Time by signing at the bottom of this letter. A response by return e-mail to Renee Kaszynski (renee.kaszynski@unmc.edu) is acceptable.

It is anticipated that you will make a valuable contribution to research in the Department of Pharmaceutical Sciences, and we look forward to welcoming you into our graduate program. If you have any questions, please contact us.

Sincerely yours,
